John F. Kennedy High School Students and Families,

On behalf of the entire staff I would like to welcome our new Freshman Cougars and returning students and families to the upcoming 2023-2024 school year. Our devoted staff has been preparing the school for your student(s) and are excited for their arrival on the first day of school Thursday, August 31.

You probably noticed construction is occurring on campus this summer. We are anticipating the completion of our new parking lot by August 28th. The new design will better assist with safe drop-off and pick-up. Eventually, trees and solar panels for covered parking will be part of the final product.

We are also getting a much needed update to the HVAC units in our "C" Building. The upgrade will be appreciated by staff and students. This project is scheduled to be completed by August 18th.

While construction is being completed on campus, we will be able to have our scheduled events for the upcoming school year! Thank you for your patience while construction is in progress.

Thank you for all you do to support our school and have a great day! We are looking forward to a great school year!
