THIS SYLLABUS IS FOR OUR TIME WHILE DISTANCE LEARNING. IF/WHEN THERE IS A CHANGE IN OUR LEARNING ENVIRONMENT I WILL AMEND THIS SYLLABUS TO FIT OUR NEW SITUATION.

### GRADING SCALE

A...100-90%, B...89-80%, C...79-70%, D...69%-60%, 59.9% and below- No Credit "F"

### HOW TO ACCUMULATE POINTS

- ASSIGNMENTS, Engagement, PROJECTS, ETC. (50%) I will post zoom meetings, lesson videos and assignments in google classroom. Lessons will be completed and checked during our mandatory zoom meetings. Practice assignments should be completed, corrected and turned in daily through the turn in feature on GC or by email, but will be considered "on time" and graded up to the following Monday (until 9pm). Late assignments will be accepted until the following Monday (until 9pm) for up to 50% credit. After which time, the assignment is too late to get any credit. It is the student's responsibility to check the accuracy of their work. I will go over and post most if not all answers, so you will get credit on your assignments by showing your work.
- ASSESSMENTS (50%): Tests will cover about 2-3 weeks' worth of material. Tests will be given through Khan Academy and also by other means. Tests through Khan Academy will have a window of time (generally a few days) in which they need to be completed. After which time, no credit will be given.
- CLASS PARTICIPATION (NOW INCLUDED WITHIN ASSIGNMENT CATEGORY): It is expected that you participate in class and you are engaged in the lessons and activities on a daily basis.

### ATTENDANCE

- Attending class every day and being on time is critical. Students missing class miss out on notes, homework assignments and explanation of new material. Attendance will be taken daily and reported to the attendance office. Missed assignments will be accepted for full credit only if the absence is excused. Punctuality will also be monitored. Tardiness will be handled according to school policy. It is expected that you attend all zoom meetings, be on time and stay in the meeting until you are excused.

### STUDENT PROGRESS:

- Student progress will be closely monitored. In addition to the school's reporting process I will post grades weekly on Infinite Campus online. If you ever have a question about your grade, please contact me ASAP.

### CLASSROOM BEHAVIOR EXPECTATIONS

- Treat your classmates and teacher with respect; no put downs of any kind.
- Actively and positively participate in class.
- Demonstrate personal responsibility, honesty, and integrity in all of their actions.

### CHARACTERISTICS OF QUALITY WORK

- Is complete with full solution. That is, all problems are completed or at least attempted.
- The supporting work for each problem is shown completely using proper algebraic conventions and notations.
- The work is done neatly.
- The work is done accurately.

### CHARACTERISTICS OF A SUCCESSFUL STUDENT

- Students that are successful in school generally exhibit the following traits:
- Are consistently present for class in body and spirit.
- Desires to learn the material presented.
- Uses time wisely.
- Does practice work, study, and test preparation faithfully.
- Asks thoughtful questions during class.

### ZOOM MEETING EXPECTATIONS

- This is a platform for school use, so please be **school appropriate** in your appearance, words and actions. Please adhere to the same standards of behavior you would follow in a normal classroom setting. Also, make sure your background location is appropriate.
- You are required to access our zoom meetings using you scusd provided username and password.
- When you enter the Zoom Chat, your **MICROPHONE AND VIDEO SHOULD BE MUTED**. This is mainly to keep the background noise to a minimum. Please make sure that your name is posted in your profile. It will be your choice to show your face during our zoom meetings.
- There will be a chat button in the bottom right of your screen, this is a place where we can type back and forth. Please do not make or post comments unrelated to our class. All members in the Zoom will see this chat.
- This is a new learning method for all of us. Please be forgiving of mistakes. If there is a connection issue, please remain on zoom for at least 5 minutes and check back in 10 minutes. **IF PROBLEMS CONTINUE, I WILL GIVE UPDATED DIRECTIONS THROUGH GOOGLE CLASSROOM OR EMAIL.**
- If a student exhibits inappropriate behavior either visually or verbally, they may be removed from the meeting and referred to the administration for punishment.
- Make sure when you leave the chat, that you click Leave Meeting to turn off your device's video camera for your privacy.

### ACADEMIC DISHONESTY

- Academic dishonesty is considered a serious offense in my class. Students cheating will be given a zero on that assignment and will not be able to recover points lost. I encourage collaboration on many assignments but I expect the work you hand in (assignments, exam/quiz, projects, etc.) to be your own.

I am excited to have the opportunity to help you learn at Kennedy High School. If you need extra help, I am available almost always by email after school (even on weekends). With hard work, participation and respect you will be successful in Math 1 this year.
