Dear John F. Kennedy Families:

As the semester comes to an end, I want to thank you for the understanding, patience, and poise you have shown us over the last 18 weeks. Distance learning has imposed its share of bumps and bruises, but we have learned a lot as a school, and I am sure you have too! I look forward to Monday and the start of a new semester. As always, we will be here to help.

### **Google Classroom**

Remember that most teachers will create new Google Classrooms for each of their class periods. Students should be on the lookout for communication from teachers that includes join codes or invites to second semester classrooms. Should they not hear, please advise them to contact their teacher(s). We want to make sure that all students are able to access new GC classrooms without hiccups!

### **BigFuture Days**

The College Board has launched [BigFuture Days](#), a regional series of free virtual college fairs for high school sophomores and juniors to help connect them with colleges, admissions officers, and current college students. BigFuture Days are designed to give students a tailored experience, so that they can establish connections and take action on important college planning tasks. The BigFuture Day for western states will be held on Saturday, February 6, 2021, 1–5 p.m.

For sign-up information and additional details, click [here](#).

### **February Holidays**

School will be closed on Monday, February 8 and Monday, February 15.

### **Class of 2021 FAQs**
