

2021-2022

1. COURSE NAME: TQR (Transition to Quantitative Reasoning)

2. TEACHER

Marie Duperron (aka Madame)
Room C-214
916-395-5090 ext: 506214
marie-du-perron@scusd.edu

3. COURSE DESCRIPTION

Designed for seniors, this course provides opportunities to strengthen students’ mathematics foundation, to develop a greater perspective of the underlying structures of mathematics, and to see how mathematical topics are connected. Quantitative reasoning skills needed for success in college-level courses or the workplace are developed utilizing real-life applications. Course will cover team building and problem solving, functions, systems of equations and financial mathematics.

Successful completion of this course fulfills the high school “G” elective of the A-G requirements.

4. ATTENDANCE

Attendance is crucial in this course as all work will be done in class with very limited opportunities for make-up work.

5. GRADING POLICY

All Daily Twos, Exit Slips, Participation Quizzes, Journals, Assessments and Finals will count towards your grade.

Grading Breakdown:

- Journals 50%
- Assessments & Finals 30%
- Daily Tasks (Daily Twos, Exit Slips, Participation Quizzes) 20%

Grading Scale:

- 89.5 – 100 = A
- 79.5 – 89 = B
- 69.5 – 79 = C
- 59.5 – 69 = D
- Below 59.5 = F

6. MAKE-UP WORK

- Daily Twos, Exit Slips, Participation Quizzes, Group Assessments and Finals cannot be made-up.
- Journals and Individual Assessments can be made-up in room C-214, on Tuesdays at lunch and within the current month only.

7. CLASSROOM BEHAVIOR EXPECTATIONS

- Attend class every day.
- Leave your binder in the classroom but bring a pen and a pencil every day.
- Treat everyone with **RESPECT**. No put downs of any kind.
- Actively and positively participate in class.
- Demonstrate personal responsibility, honesty and integrity in all of your actions.

8. CLASSROOM RULES

- You may drink water during class but enjoy food and other beverages before you come in.
- Remain seated unless you have permission to move about the classroom.
- Cell phones and all other electronics (besides calculators) are not allowed during class.

9. ACADEMIC DISHONESTY

Academic dishonesty is a serious offence. Students caught cheating will receive a zero on the assignment with no possibility of make-up.

10. CLASS MATERIALS NEEDED

- One small or medium three-ring binder
- Recommended calculator: Texas Instruments 30X
- Binder paper
- Pens and pencils
