Course Description

■ Reading (25%) ■ Listening (25%) ■ Writing (20%)
 ■ Speaking (20%) ■ Work Habits (10%)

This class will focus on the acquisition of high frequency structures, the most frequently used words in a language, in Spanish. We will use these structures in class discussions, stories, and cultural expectations. You will be expected to recognize these structures when you read or hear them, and in time, be able to produce them in speech and writing.

Most of the class will be spent using Spanish, not English, to help students acquire the language at a higher rate.

Student Responsibilities

- Speak Spanish, not English!
- Be respectful of yourself, your teachers, your classmates, and your school.
- Come to class prepared with the materials you need to do your work.
- Pay attention to your teacher

- Spend at least 15 minutes outside of each class each day looking over stories, vocabulary lists, etc.
- Complete all assignments on time.

Academic Integrity

Academic Integrity is being honest and responsible with regard to your schoolwork.

Students will receive a non-negotiable "0" on any assignment in which academic integrity has been breached, and will not receive an opportunity to redo the assignment.

- You may not copy another student's work or allow someone to copy your work.
- You may not use online translators to write sentences or essays.
